Summary

Full-stack developer, with years of experience in retail sales, merchandising, and purchasing. My lifelong love of learning and innate curiosity have been the guiding forces behind my exploration of web technologies. I look forward to a future spent furthering my understanding of the way things work, that sees my skill-set growing, and opportunities for creation multiplying.

Technical Skills

- HTML, CSS, JavaScript, JQuery, Node.js, PHP, MySQL, GIT, MongoDB, React.js, Express, JSON
- Adobe Creative Suite: Photoshop, Illustrator, WordPress
- Write and edit documents for business communication and public readership

Projects
